

Sun Shower

When you smile
Eyes alight
(It's) like the sun
Breaking through
Winter clouds

If I had to
find the words
To describe
How your smile
Makes me feel
Then I'd say

You're my sun
And your smile's
(a) sun shower
Dazzling sparkling shower of light

(A) blaze of light
Breaking through
Winter clouds
Painting skies
Blue and gold

When you smile
Eyes alight
Your smile's like
A gentle touch
Warm caress

If I had to
Find the words
To describe
How your smile
Makes me feel
Then I'd say

You're my sun
And your smile

(a) sun shower
dazzling sparkling shower of light

Sunny smile
Dancing eyes
She is spring
April wind
She's my sun
